BALL PENS

ALTIS PENS AND EXPORTS A Subsidiary Company of Mutha Brothers is A Leading Pen Manufacturer In India. The products come from 6 registered brands – Speed Pens, Altis Pens, Ritz Pens, Plano Pens, Aristo Pens and Klik Pens. Apart from Use and Throw Pens, we also manufacture ballpens, sketch pens, gel pens, refills and other writing instruments. The group is a leading Pen Exporter from India having customers across the globe and the world do Import Pens from India. In context of its Exports, the group is famous by various key terms i.e. Stick Pens Manufacturers, Low Price Pen Manufacturer, Direct Fill Ballpen Manufacturer, Ballpens Manufacturer India, Ballpoint Pen Manufacturer, Pen Manufacturers from Kolkata.

To meet the needs of the highly demanding and discerning buyers in the domestic market, the organization has been introducing several new products in the market, Which has allowed the Indian buyer easy access to international standards in writing instruments and several other high-performance pens that combine affordability and top-end performance. Presently we are manufacturing our ball pens under registered brands namely Ritz, Speed, Plano, Aristo & Klik.

We have been targeting at the Indian school-going population which has created a niche for itself among the younger age groups as well. Our products are targeted primarily at the mass market, schools and offices. Economically priced to allow better value for the retailers, the products are unique in their price-to-performance ratio. Reliability in supplies, competitiveness and high quality of both products and packaging are the watchwords of the organization.

With a dedicated team of young professionals, is working continuously towards the goal of fulfilling customer expectations. Today represents a promise of quality and performance. With increasing popularity in the market and a clearly defined plan for the future, has firmly established itself as a leading pen manufacturer of the country.
